

## PROFESSIONAL ONLINE TRAINING FOR ALL MEDICAL & ALLIED HEALTHCARE PROFESSIONALS WORKING IN THE HEALTH/WELLNESS SECTOR

The Nutrition Network Ethics module explores the big issues facing the medical/healthcare profession today and the ethical dilemmas of each. Quality insights from industry experts will help you tackle these challenges with confidence.

**The course is presented as a series of online, self-study lectures.**

### Each lecture includes:

- Topic outline, learning objectives and lecture summary
- Expert speaker presentation
- Downloadable resources and references for relevant journal articles and literature
- Quiz to assess what you've learned

### Content and Certificate

#### Scope of Content

What are your ethical obligations as a doctor, dietitian, nutritionist, nurse or health coach?  
How do you honour these and in what contexts do things need to change in medicine today?

#### Ethics CPD Points & Certificate

This module has been accredited by the South African Medical Association and is worth **7 Ethics CPD points**. On completion of the module, participants will be issued with a **Certificate of Completion**. This module contributes towards certification as a **Nutrition Network Practitioner**.
